Linear Bench Top Tilter 28 In. x 46 In. 600 Lb. Capacity Blue

MODEL BTT-6-46

Ergonomic Solutions / Bench Top Tilters

PRODUCT OVERVIEW

The heavy-duty bench top tilter easily attaches to most industrial table tops, work benches, and mobile lift tables of sufficient load capacity and surface size. The unit slides back as it tilts to maintain the center of gravity over the frame. Manual units can be adjusted only when unloaded and the linear actuated units are equipped with a push-button hand pendant control. The flat base plate has slotted holes for installation.

KEY FEATURES

- Ideal for loading and unloading fork truck batteries
- Features a roller deck for easy battery movement
- Front locking safety tabs secure battery in cart
- Welded steel construction for maximum strength
