Steel Hydraulic Powered Fork Truck Crate Turner/Dumper 67-1/4 In. x 30-1/4 In. x 34-15/16 In. 3,000 Lb. Capacity Yellow

MODEL CTD-H-TP-3000

Fork Truck Attachments / Hydraulic Powered Fork Truck Crate Turner/Dumper

PRODUCT OVERVIEW

When a crate needs turned, look no further than the hydraulic crate turner. With two easily accessible fork pockets, the unit can be simply attached to a fork lift or other lifting device. During the attachment process, an upper top lip fits tightly against the crate creating a secure connection during movement. The turner is constructed of steel for strength and dependability over consistent use. A painted finish adds a smooth surface to limit abrasions.

KEY FEATURES

- Durable construction throughout daily use
- Painted finish
- Tightly secures crate in place
- Simple and safe connection to a fork lift or other lifting device
