Vinyl Retractable Dock Shelter 24 In Black

MODEL D-520-24

Loading Dock Equipment / Retractable Dock Shelter

PRODUCT OVERVIEW

The retractable Dock Shelter fits up to a one-hundred twenty (120) inch width by one-hundred twenty (120) inch height door. Independent manual scissor mechanism allows shelter to retract with the trailer keeping the shelter square. The design also eliminates the need for rigid steel guide protectors. The reinforced vinyl flaps close the opening down to ninety (90) inch width by ninety (90) inch height. The header curtain has armor pleats for extended wear. Shelter is black with aluminum edge trim.

KEY FEATURES

- Three-piece construction makes installation quick and easy
- Reinforced black vinyl-coated nylon flaps close down opening for added protection
- Attractive aluminum edging will not rust in the harshest environments
- Retractable steel frame promote long lasting shelter life
