Steel Drum Rack With Fork Pockets 30 or 55 Gallon 27 In. x 48 In. x 15 In. 2400Lb. Capacity Yellow

MODEL DRMR-3055-FP

Drum Handling Equipment / Drum Rack With Fork Pockets

PRODUCT OVERVIEW

Sometimes drums need to be stored horizontally. And occasionally those same drums need to be moved. Without the correct equipment, doing so can often be difficult. Thanks to Vestil's drum rack that situation is now made easier. With fork pockets built into the rack, transferring racks and drums can now be done quickly and efficiently. An open ended design allows for loading and unloading from both sides of the rack. Built of yellow powder coated steel.

KEY FEATURES

- Accommodates 30 and 55 gallon drums
- Dual cradle design
- Stackable up to 4 racks high
- For use with steel drums only
