Steel Hinge Tilt Table 48 In. x 47-3/4 In. 4000 Lb. Capacity Blue

MODEL EHTT

Ergonomic Solutions / Hinge & Sliding Tilt Tables

PRODUCT OVERVIEW

The hinge tilt table offers the rugged durability of the standard efficiency master line of tilters, plus they offer an extra platform height. The lip design allows for loading and unloading on three sides. This tilt table has a two-button handheld pendent control with additional voltage options available. The pressure plated pump is coupled to an application specific manifold that features counterbalanced valves and modulated flow control for maximum efficiency.

KEY FEATURES

- Offers rugged durability of the standard master line plus extra platform height
- Features counterbalanced valves and modulated flow control for maximum efficiency
- Maximum stability while occupying minimum space
- No side gussets
