Steel Sliding Tilt Table 48 In. x 48 In. 4000 Lb. Capacity Blue

MODEL EHTT-L

Ergonomic Solutions / Hinge & Sliding Tilt Tables

PRODUCT OVERVIEW

The sliding tilt table offers the rugged durability of the standard efficiency master line of tilters, plus they offer an extra platform height. The lip is without side gussets allowing for loading and unloading on three sides. The sliding tilt table incorporates a patented sliding link-tilt design for maximum stability while occupying minimum space. As the table is tilted, the front edge of the container moves away from the operator. Side gussets are required when ordering optional accordion skirt.

KEY FEATURES

- Offers rugged durability of the standard master line plus extra platform height
- Features counterbalanced valves and modulated flow control for maximum efficiency
- Patented sliding link-tilt design for maximum stability while occupying minimum space
- Center-of-gravity of load remains closer to the center of the frame
