Steel Efficiency Master Tilt Table 90 Degree Tilt 48 In. x 48 In. 6000 Lb. Capacity Blue

MODEL EM1-500-4848-6

Ergonomic Solutions / Efficiency Master Tilt Tables

PRODUCT OVERVIEW

The efficiency master tilt table tilts pallets, crates, boxes, or baskets to facilitate easy container loading or unloading. The table features all welded steel construction for years of durability. The unique design minimizes pinch points to meet OSHA requirements. It's ideal for upending products in shipping and receiving operations. The unit is equipped with an industrial quality motor that delivers the best torque with minimal amperage draw for maximum life. Standard voltage is 460/3PH with additional voltage options available. The tilt table has a standard push button hand control with a double acting cylinder for controlled tilt and return. The unit must be lagged to the floor.

KEY FEATURES

- Ergonomic design for minimal fatigue
- Welded steel construction provides long lasting rugged use
- A 90 degree tilt angle offers better ergonomics and operator comfort
- Platform end lip safely supports containers when tilted

CORE PRODUCT DATA
