Steel Electric Pallet Truck Cold Freezer Room 63-7/8 In. x 27 In. x 46 In. 4000 Lb. Capacity Blue

MODEL EPT-CFR-2748-40

Ergonomic Solutions / Electric Pallet Truck For Cold Rooms

PRODUCT OVERVIEW

An electric pallet truck is the perfect combination of powered mobility and lifting. Instead of using the classic manual hand pump version, give yourself a break and try this powered lift edition! It gives the user the same capabilities to position the jack at the desired height, but without the chore of manually lifting. Not only that, but the mobile power also minimizes the time associated with transferring heavy loads between work areas. An open design provides access to all aspects of the truck for simple maintenance and cleaning purposes. The included lithium ion battery delivers a long life and countless charges. Powder coated blue finish.

KEY FEATURES

- Perfectly suited for cold room environments
- Sustained power from single battery charge
