Polyethylene Floor Grid 15 Pack 1100 Lb. Capacity Blue

MODEL F-GRID

Ergonomic Solutions / Plastic Floor Grid

PRODUCT OVERVIEW

The plastic floor grid is ideal for storing product at an elevated height above cold and damp floors. Alternatively used as an ergonomic work surface to provide an anti-fatigue worker friendly environment. Snap together, abrasion, resistant "grid" sections are ideal for wet floors such as paint booths, car washes, or general work areas. The floor grids are lightweight, easy to attach with no hardware necessary.
