# Aluminum Fixed Height Gantry Crane With Adjustable Leveling Option 15 ft. X 10 ft. 2000 lb. Capacity Silver

**MODEL FHA-2-15-10-ALO**

Overhead Lifting / Fixed Height Aluminum Gantry Cranes with Adjustable Leveling Option

## PRODUCT OVERVIEW

A fixed height aluminum gantry crane is a valuable asset in warehousing and manufacturing settings. The crane has an all-aluminum construction making it corrosion resistant and perfect for outdoor use. The fixed height gives the user consistent familiarity when raising/lowering items. If a change in height is needed, the adjustable legs allow the crane to be raised or lowered in 4" increments. Each leg has a pin style adjustment design with pre drilled alteration holes. With a rectangle shaped base included on each leg, the crane has a strong foundational support.

## KEY FEATURES

- Leveling adjustment can be completed with support from fork truck or other overhead lifting device
- Flat footed design provides surface stability
- Beam length offers ample space for lifting and lowering
- Lifting hoist/trolley available separately
