Steel Open Ended Low Profile Parts Hopper 2,000 Lb. Capacity Blue

MODEL HOP-OE

Fork Truck Attachments / Open Ended Steel Dumping Hopper

PRODUCT OVERVIEW

Reduce bending and lifting motions while loading items into a hopper. This open ended steel dumping Hopper will allow for convenient and orderly loading at ground level with its open front design. Flat items can be loaded so more can be put into the hopper. Rolls smoothly on casters two rigid and two swivel with brakes, the hopper can easily be moved from one location to another. Once the hopper is full or the user has finished loading, the hopper can be easily dumped with the use of a fork truck. The included safety restraint should be properly secured to a fork truck before dumping.

KEY FEATURES

- Reduce bending and lifting motions while loading items into a hopper
- Open front design allows for convenient loading at ground level
- Rolls on casters to easily and smoothly move to locations
- Can be dumped with the use of a fork truck for easy and efficient use
