Steel Pallet Master Single Fork 64 In. x 23 In. x 48 In. 2000 Lb. Capacity Yellow

MODEL PM2-SF-848

Ergonomic Solutions / Single Fork Pallet Master

PRODUCT OVERVIEW

A single fork pallet master is the perfect accessory for maneuvering quarter and half size pallets. The simple hand pump design and lift function allows the user to lift and lower loads quickly. With a sleek powder coat finish baked in to a steel construction, this pallet master has a robust capacity for moving items large and small. The unit rolls on polyurethane casters, great for smoothly traversing a variety of surfaces.

KEY FEATURES

- Designed for quarter and half pallets
- Compact for quick movement in condensed areas
- Smooth finish to limit needless abrasions
- Wide service range for precise lifting/lowing
