Steel Pallet Truck 48 In. Long 21 In. -27 In. Adjustable Width Forks 4,400 Lb. Capacity Blue

MODEL PM4-ADJ-2127-48

Ergonomic Solutions / Pallet Truck with Adjustable Forks

PRODUCT OVERVIEW

A hydraulic pallet truck with adjustable forks makes moving heavy loads a simple task. The open design is also excellent for performing any preventative maintenance, with all parts being easily accessible. With a robust steel frame and a unique chassis assembly, this pallet truck is built to last! A hydraulic hand pump mechanism makes the lifting and lowering process, quick and easy. To limit abrasions or scratches the truck is finished with a durable baked in powder coat.

KEY FEATURES

- Fingertip lever provides an easy lift, lower and neutral operation
- Adjustable solid steel push rods
- Polyurethane wheels with sealed bearings
- Spring loaded handle automatically returns to upright position
