Steel Heavy Duty Crowd Control Interlocking Barrier with Flat Feet 101-3/4 In. Length Silver

MODEL PRAIL-102-HD-G-FF

Protective Barriers / Crowd Control Interlocking Barriers

PRODUCT OVERVIEW

The Heavy Duty crowd control interlocking barrier is attractive and the functional design is ideal for directing personnel. Interlocking portable railing has many commercial and industrial applications. Easy to move to meet changing needs. Upright bars are vertically spaced. Each railing includes connectors to attach multiple units together to form long runs. Feet are removable so railing will lay flat for shipping and storage.

KEY FEATURES

- Attractive and functional design ideal for directing personnel
- Each railing includes connectors to attach multiple units end-to-end
- Feet are removable so railing will lay flat for shipping and storage
- Rugged welded steel construction long lasting use
