Steel Pallet Rack Shelf Divider 36 x 36 Yellow

MODEL PRSD-3636

Storage Solutions / Pallet Rack Shelf Divider

PRODUCT OVERVIEW

Pallet racks are often tightly packed and difficult to maneuver within and around. With the help of the pallet rack shelf divider, gathering certain sets of products is now much more manageable. The divider attaches directly to the pallet rack beam itself so as to not take any additional room from an already limited space. Once in place, the divider isolates products for safe placement and organizing.

KEY FEATURES

- Safeguards a 36" x 36" area
- Powder coated a highly visible yellow
- Built of 0.125" thick steel
- Hardware is included
