Speed Hump Glue Down Kit For RSH-108 Models

MODEL RSH-GD-16

Facilities Maintenance / Rubber Speed Humps

PRODUCT OVERVIEW

The anchor kits are a great addition to the facility maintenance department. The kit supplies a solution to securing speed bumps to a surface. The unit is designed of a strong construction that is resilient and long lasting throughout the harshest environments. Once the anchoring is in place, the speed bumps are ready for use. The kit is available in both glue down and asphalt anchor style.

KEY FEATURES

- Simple installation for just one person
- Creates a strong connection to the surface
- Smooth surface to prevent damage
- Beneficial in a variety of settings
