Steel Machinery Skates 8 Steel Rollers 12 Ton Static Capacity Blue

MODEL SSKT-12

Industrial Carts & Dollies / Machinery Skates

PRODUCT OVERVIEW

This machinery skate is designed to move heavy equipment and machinery. Steel wheels ideal for moving heavy duty equipment. The top of each skate includes a rubber surface for extra grip. Steel construction with handle to carry and position. With the steerable skate model each dolly includes a swivel top plate and a pulling bar to allow for easy maneuvering around turns and corners.

KEY FEATURES

- Designed to move heavy equipment and machinery
- Steel wheels are strong and will not mark floors
- Top of each skate includes a rubber surface for extra grip
- Swivel top plate and a pulling bar to allow for easy maneuvering
