Steel Horizontal Sheet Lifter 10,000 Lb. Capacity Yellow

MODEL SSL-2086-10

Overhead Lifting / Steel Sheet Lifter

PRODUCT OVERVIEW

When stacks of metal sheeting need to be raised, look for the steel sheet lifter. As safety is always the highest priority, this lifter limits the amount of interaction between personnel and heavy sheets or plates. This provides not of only a level of safety, but also workplace efficiency. When it comes to this designs capabilities, it is fully able to lift sheets of varying sizes, from large and small to narrow and wide. Material must be stacked horizontally for proper handling.

KEY FEATURES

- 10,000 lbs. capacity
- Adjustable widths ranging from 20" to 86"
- Built of steel with a durable liquid paint finish
- Self-locking geared handle
