Steel Safety Railing 10 Ft. Length Yellow

MODEL VDKR-10

Protective Barriers / Steel Safety Railings

PRODUCT OVERVIEW

Pipe safety railing is a great addition to pathways and dock areas. The yellow colored finish allows for visibility of the handrail to create a more secure environment. With a variety of mounting options the unit can be permanently installed or removed after every use. When in place, the handrail creates an ergonomic position while gaining personal stability. VDKR series safety rail complies with U.S. occupational safety and health administration (OSHA) general industry requirements for guardrail systems in 29 CFR 1910.29.

KEY FEATURES

- Socket, base and sleeve mounting accessories are available separately
- Powder coat safety yellow finish provides durability and protection
- Heavy-duty steel pipe hand railing can be used in multiple application areas
- Railing protects people or employees from uneven walkways and mezzanine drop offs
