Cast Iron Pipe Safety Railing Base 2.13 In. x 28.5 In. x 5.7 In. Gray

MODEL VDKR-BASE

Protective Barriers / Steel Safety Railings

PRODUCT OVERVIEW

The cast steel base is the perfect accessory for the pipe safety railing. The unit allows the pipe railing to be secured to a central location, while diminishing the chances of personal injuries. When the unit need to be moved, the base includes a caster for smooth rolling from area to area. Great for both indoor and outdoor use.

KEY FEATURES

- Robust construction for use in harsh conditions
- Great for both permanent and portable uses
- Pre-drilled lag down points saves time with installation
- Attached caster for simple transference
