# Steel Variable Height Sheet Rack Knock Down 1,500 Lb. Capacity Blue

**MODEL VHSR-4BA-KD**

Storage Solutions / Variable Height Sheet Racks

## PRODUCT OVERVIEW

With a variable height sheet rack, various sizes of sheet goods can be held in the vertical position for easy viewing of stock. A steel constructed design provides strength and durability throughout a lifetime of use. The compact design allows the user to maximize floor space by having several items located in a small area.

## KEY FEATURES

- Perfect for use with multiple sizes of material
- Smooth finish to minimize abrasion and wear
- Bays are different heights to increase visibility of stored materials
- Secures to a variety of surface types
