Steel Virtual Sign Projector 24 In. Maximum Distance Stop Sign

MODEL VSP-24-001

Facilities Maintenance / Virtual Sign Projector

PRODUCT OVERVIEW

Safety is everyone's number one priority. And a virtual stop sign projector is a great way to help ensure that safety. Virtual projectors work wonders in heavily traveled areas where personnel and heavy equipment often meet. The projector best displays signs on walls or floors. Picture is clearly visible in a variety of light environments. Simple to mount in the desired location (the diameter of the projected sign depends on the installation height, the ratio of height - diameter=1:1/4). Hardware is included.

KEY FEATURES

- Easily adjusted to a precise position
- Bright colors for clear awareness
- Can be utilized at variety of distances
- Perfect for busy intersections or hazardous areas
